

AGENDA

Pollinator Habitat Restoration for DoD Land Managers

2009 National Military Fish and Wildlife Association Conference
Monday, 16 March 2009 (0800-1200)

The workshop will focus on issues related to pollinator habitats, including restoration, understanding and preventing declines, and the availability of tools. The goal is to help DoD land managers foster pollinator success at their installations.

- 8:00-8:15** **Introductory remarks**
- ❖ *Alison Dalsimer*, Booz Allen Hamilton, support to DoD Conservation Program
- 8:15-8:55** **Keynote Address**
- ❖ *Gabriela Chavarría*, National Resources Defense Council (NRDC)
- 9:00-9:40** **Session I Presentations**
- ❖ *Jay Evans*, U.S. Department of Agriculture (USDA) Bee Lab
 - ❖ *Sam Droege*, U.S. Geological Survey (USGS)
- 9:40-9:50 Bio-break
- 9:50-10:50** **Session II Presentations**
- ❖ *Robert Johnson*, Wildlife Habitat Council
 - ❖ *Kim Winter*, National Wildlife Federation: Backyard and Schoolyard Habitat Programs
 - ❖ *Scott Hoffman Black*, The Xerces Society
- 10:50-11:45** **Opportunities to view posters and displays, interact with speakers**
- ❖ Backyard Habitats (National Wildlife Federation) – Kim Winter
 - ❖ Bee specimens – Sam Droege, USGS and Edd Barrows, Laboratory of Entomology and Biodiversity at Georgetown University
 - ❖ Genetic Approach for Using Pollen to Determine Plant Resources used by Nectarivorous Bats; A Comparison of Natural and Manmade Fragmentation Effects within Three Pollination Networks of Erigeron Species at Fort Huachuca, AZ; Fundamental Properties of Pollination Networks on Army Ranges; Effects of Invasives on the Distribution of Keystone Desert Plants on Military Lands – Rick Lance, Pam Bailey, Denise Lindsay, Engineer Research and Development Center (ERDC)
 - ❖ Insects that Teach – Liz Bell, Vandenberg AFB
 - ❖ Integrating Pollinators into the Invasive Species Section of your INRMP – Robert Johnson
 - ❖ Karner Blue Butterfly at Fort McCoy – Dave Beckman
 - ❖ National Public Lands Day (DoD Legacy Program) – Jane Mallory
 - ❖ North American Pollinator Partnership Council (NAPPC)
 - ❖ Partnerships for Pollinators: using the NAPPC curriculum with the Wildlife Habitat Council – Robert Johnson
- 11:45-12:00** **Closing remarks, pollinator quiz, crossword, and prizes**
- ❖ *Alison Dalsimer*
