National Military Fish & Wildlife Association

Application for Certification

Military Natural Resources Professional

Instructions: Email completed signed electronic applications to nmfwacertification@gmail.com. Please be sure to include an electronic signature and complete all portions of the application to the best of your ability.

It is the applicant's responsibility to provide full documentation of previous professional certification, supplemental military-specific education and military-specific professional-level experience. Failure to provide complete documentation may limit your rights of appeal, if you are denied certification. Applications must be accompanied by one legible copy of any previous professional certification certificate. (Do not send originals; no copies will be returned.)

For certification renewals, revise Parts I and II, if changes warrant, and complete Parts III and V. If your current position has changed since previous application, complete Part VI. Be sure to sign your application.

(Copy this page for additional experience information.)

Part VII: Signature and Agreement.

I certify that the information I have provided above is accurate and complete to the best of my ability. I further acknowledge and commit to the following standards of ethical and professional conduct, as established by the National Military Fish and Wildlife Association.

- A. **Certified Military Natural Resources Professionals** shall conduct their activities in accordance with the highest standards of professional conduct and personal honor.
- B. **Certified Military Natural Resources Professionals** recognize that Department of Defense lands exist first and foremost to support the training, testing, and power projection needs of our armed forces, and there is great opportunity for conservation of natural resources on these lands in harmony with mission demands. They constantly strive to remove all natural resources encroachments on the mission while at the same time providing the highest degree of natural resources stewardship.
- C. **Certified Military Natural Resources Professionals** will not represent themselves as spokespersons for the National Military Fish and Wildlife Association without the expressed authorization of the President of the Association.
- D. **Certified Military Natural Resources Professionals** will cooperate with other military natural resources professionals whenever possible and appropriate to assure rapid interchange and dissemination of knowledge.
- E. **Certified Military Natural Resources Professionals** will not plagiarize in verbal or written communication, but will give full and proper credit to the works and ideas of others, and make every effort to avoid misrepresentation.
- F. **Certified Military Natural Resources Professionals** will not fabricate, falsify, or suppress results, deliberately misrepresent research findings, or otherwise commit scientific fraud.
